**Crisp Summer Frocks  
for Junior Girls  
\$9.74**

There are a great many ways of expressing summer—in frocks, with the help of organdie and dotted Swiss. Some of the most charming illustrations may be seen in our girls' dress department on the third floor.

Imported Dotted Swiss combined with organdie, voile and batiste are the materials used, while the trimmings of fagoting, lace hemstitching and ribbons add a delightfully youthful touch. Many styles are represented—each as cool and summery as can be.

The model illustrated, of imported Dotted Swiss, is particularly alluring with its fan-shaped insert and sash of imported organdie.

All the bright and cool looking summer shades.

Sizes 6 to 16.

# for the JUNE WEDDING

IT'S been decided—it's to be a June wedding—with all the white satin and roses and soft violin music which must of necessity accompany such an event. The bride-to-be, between thrills, is frantically making out lists of bridesmaids. The groom has been banished to meditate on cutaways. Father looks a little worried, but Mother is in her element. She has already begun to plan for the great day, and here we are to help her.

Satin it must be—Great-grandmother, and Grandmother, and Mother all stand as precedent for that—so we have had made an exquisite thing of delicately ivory satin, with panels of satin and Princess lace.
